175 Years. Let's do more than celebrate

FROM CAGES TO CONSERVATION BRISTOL ZOO GARDENS IN THE 21ST CENTURY

DR BRYAN CARROLL

Director, Bristol Zoo Gardens

Conservation, Sustainability, Education... in celebrating Bristol Zoo's 175th Anniversary, Bryan Carroll will share his vision of how Zoos, and Bristol Zoo in particular, will play a leading role in addressing these key issues.

Dr Carroll is also Chair of the Conservation Committee of the European Association of Zoos and Aquaria which campaigns to protect endangered species in the wild and promotes field conservation by zoos internationally.
